WHO WE ARE

The Ute Pass Symphony Guild is a 501c3 non-profit corporation, begun in 1979 for the sole purpose of funding concerts by the Colorado Springs Philharmonic Orchestra.

Symphony Above the Clouds has always been and remains our primary mission. After all these years, we remain an all volunteer organization with very low overhead and administrative costs.

The second part of our mission is to provide the funding and training required to send fourth graders from area schools to a Philharmonic Kids concert presented at the Pikes Peak Center.

MORE ABOUT THE TRADITION

How Many People Attend the Concert on July 5th?

Thousands of people of all ages bring lawn chairs and picnic dinners to enjoy while they listen to beautiful music. The finale is always Tchaikovsky's "1812 Overture" accompanied by fireworks and cannons.

How Much Is Needed for the Concert?

Today, the cost of bringing the Philharmonic to Woodland Park is over \$30,000. We are provided with amazing talent, a professional stage and a first class lighting and sound system.

Does the Ute Pass Symphony Guild Have Partners?

Absolutely! We use the Woodland Park Middle School football field for our venue. Concessions are provided by the Panther Pride Athletic Boosters. Our local police, fire and ambulance departments help assure safety at the event. The City of Woodland Park provides for sanitary needs, plus safety lighting and our fireworks display. Area churches and schools offer their parking lots to concert-goers. This is truly a community effort.

WE NEED YOUR HELP!
